

**STATEMENT OF CANDIDATE FOR
PLACER COUNTY WATER AGENCY, DISTRICT 1**

PAULINE ROCCUCCI

Age: 54

Occupation: Incumbent, Registered Nurse

Education and Qualifications: Four years ago I pledged to improve the quality and reliability of Placer County water. I listened to your concerns and encouraged greater public participation.

There's been tremendous progress on items such as the American River permanent pumps, engineering, infrastructure improvements and organizational changes to better serve our city and county customers. I helped PCWA affiliate with the Northern California Power Agency so our concerns would be heard more effectively in Washington DC and Sacramento.

As a former Mayor and nine-year Councilmember of the City of Roseville, and four years as your PCWA District 1 Director, I've learned what it takes to be an effective advocate for your water rights. My experience includes chairman of PCWA, Executive Committee Board Member of the Regional Water Authority, and former chairman of NCPA.

As a Registered Nurse I understand the importance of a reliable and clean water supply. I pledge to protect our precious water resource for you and your children. Placer County District 1 Supervisor Bill Santucci has endorsed my candidacy. I will continue to work hard to earn your continued trust and to provide the level of service you deserve and have come to expect from the Placer County Water Agency.
